

Rocky Rococo Restaurants, a slice of Wisconsin since 1974, is looking for Assistant Managers for our corporate owned restaurants. With new locations coming soon, exceptional performers may be fast tracked into a General Manager role. While other restaurants have struggled during these tough economic times, our devoted guests continue to gobble up our famous pan style pizzas by the slice and by the whole pie. With our expanded pasta selections, famous garlic breadsticks and garden fresh salad bar (available at most locations) there are more reasons than ever for hungry Wisconsinites to make it Rocky's for lunch, dinner or anytime you get a craving for quality.

If the idea of free pizza isn't enough to get you to apply, chew on this; our managers receive a competitive salary plus health, dental, life and disability insurance, paid vacations, 401(k) and the opportunity to earn a bonus on a monthly and quarterly basis. All this for serving up the best food around in a fun atmosphere with no greasy deep fryers.
