

Supporting Local Communities

The how and why of our Community Programs...

Our loyal fans and the outstanding local communities surrounding our restaurants have supported Rocky Rococo Restaurants since 1974. Giving back and helping our communities grow is how we support and serve you. Today, our community programs help support local schools, non-profit programs, houses of worship, and local business through exclusive benefits and services.

Here's a brief outline of the different ways we help the communities we're privileged to serve.

Educational Programs

Rocky Rococo is dedicated to enhancing the lives of local youth. These programs are FREE to schools and encourage students to excel in school by rewarding them with free Rocky's pizza!

Reading Recognition Program (ages 4 - 13)

This program encourages students to read. Students can obtain free food prizes by taking their completed card to a participating Rocky Rococo restaurant.

Rococo Recognition Program (ages 4 - 18)

This program is a fun way to reward students for outstanding performances or effort in the classroom. These may be used at the discretion of the teacher.

Easy Serving

Our unique pizza by the slice makes serving easy; no cutting or plates needed and offers topping variety! We also offer breadsticks, salads, desserts and more: www.rockyroccoco.com/group-orders.

Fundraising "Dine for Dough" Nights

Celebrate, eat and raise money for your non-profit organization at your local Rocky Rococo. Following your event, a percentage of the sales you generate is given back to the organization. To start your fundraiser, please go to www.rockyroccoco.com/fundraising.

Concessions

Sell discounted slices and breadsticks at your event and keep the profits for your organization! Slices are pre-packaged in our unique boxes and packed in portable thermal containers to ensure fresh, hot pizza longer than ordinary thin crust or New York style pizza. Can be served anywhere. Great for sporting events, festivals, dances, church picnics, & more! To plan your event, please go to www.rockyroccoco.com/fundraising.
